

# GEAR CHECKLIST

BE PREPARED FOR YOUR  
ULTIMATE JAPOW EXPERIENCE.

## CLOTHING

### SKI JACKET RENT\*

Ensure you have the right warmth & water-proofing for all possible conditions!

### SKI PANTS RENT\*

Ensure warmth & water-proofing again! Bibs/overalls are also a popular choice.

### BASE LAYERS

Layering is the key to keeping warm. Wool or synthetic based thermals are optimum.

### MID-LAYER

Add a fleece, wool or down mid-layer. Layering helps trap body heat, keeping you warmer on the hill!

### GLOVES/MITTS

A quality pair of gloves or mitts is a must on the hill. Mittens are a favorite for kids and those who feel the cold.

### LINERS

Add extra warmth with a merino or silk glove liner. You can also double these up as your walk around town.

### APRES BOOTS RENT\*

Waterproof & with good grip. It can get slippery here, so this is very important!

## ACCESSORIES

### GOGGLES

Protect your eyes from the wind, sun & snow. A spare low-light lens is advised for variable conditions.

### HELMET RENT\*

Safety is smart! Plus, a helmet keeps you warm. Ensure your goggles & helmet fit together.

### FACE MASK

We couldn't recommend this enough! Protect your face against the wind.

### BEANIE

Keep those ears warm. An item you will be wearing throughout your entire trip!

### SUNNIES

Protect your eyes from the sun during apres and on the slope during the spring season.

### SUNCREAM

Even on cloudy days, always wear suncream, the sun is stronger than you think!

### GOPRO

Capture your memorable moments on and off the slope.

## HARDGOODS

### SKIS & POLES RENT\*

Our premium package allows you to change your skis to suit the conditions.

### SNOWBOARD RENT\*

Our premium package allows you to change your board to suit the conditions.

### SKI/BOARD BOOTS RENT\*

Boots can make or break your day. Make sure they are the right fit!
